90% of our mind's power is housed in the subconscious mind and is responsible for our behaviors, habits, and performance. That 90% can work for you or against you.

Dr. Robert K. Winters' Putting Genius Software will make sure that the 90% is working for you!

Putting Genius' concise 9-minute mental training sessions are easy and enjoyable to use. All you have

to do is pop the CD into your drive and let the software do the rest. The only click you'll have to make is choosing the mental training session you'd like to run. Then sit back and relax. Look and listen and follow the training. That's it!
